## Private Label Opportunities

TSI Manufacturing offers private label opportunities in select market segments. The products we offer are high quality, low cost and innovative. We offer start to finish solutions for your private label needs.

- TSI is a manufacturer with factories in China.
- TSI can accommodate every aspect of your Branded needs.
- TSI's state of the art production and packing facility can customize to a myriad of specifications to assure complete client satisfaction.

If you are looking to create house brands or, to sell a "generic" a private label brand to gain strategic market advantages, TSI private label goods can increase margin, add differentiation for the retailer or wholesale distributor and its brand, improve customer loyalty, and keep your business focused on its core competence. Our products offer consumers a quality private label choice as well as providing our customers an additional selling point.
